

House of Commons

INDIVIDUAL MEMBER'S EXPENDITURES

FOR THE FISCAL YEAR 2008-2009

OCTOBER 2009

Introduction

- The Speaker of the House of Commons, on behalf of the Board of Internal Economy (BOIE), tables the consolidated *Individual Member's Expenditures* report on an annual basis pursuant to BOIE By-laws. The tabling of the consolidated *Individual Member's Expenditures* report coincides with the tabling of the *Public Accounts of Canada*. Prior to tabling, Members receive a copy of their *Individual Member's Expenditures* report for review and validation.
- In this report, fiscal year 2008-2009 expenditures cover both the 39th and 40th Parliaments as follows: 6 ½ months (April 1, 2008 to October 13, 2008) for Members of the 39th Parliament who did not return to the 40th Parliament, 5 ½ months (October 14, 2008 to March 31, 2009) for new Members elected to the 40th Parliament, and 12 months (April 1, 2008 to March 31, 2009) for Members re-elected to the 40th Parliament.
- Seats identified as "vacant" followed by the constituency name are overseen by the former Member's Party Whip, or by the Speaker in the case of an independent Member. This ensures that constituents continue to be served until the date of a general election or by-election. Prior to tabling, the reports for vacant seats are sent to the former Member's Party Whip or to the Speaker, as the case may be.
- The individual Members' expenditures are presented in two categories: Member's Office Budget (MOB) and Goods and Services Provided by the House.
- The expenses reported are, to some extent, reflective of the characteristics of the constituency that each Member represents. For example, the constituency size and its distance from Ottawa would be determining factors with regard to travel, whereas the number of constituents and households in the constituency would influence the amounts spent for printing and office supplies.
- The *Members' Allowances and Services* manual contains information concerning Members' entitlements, including a list indicating the basic budget and annual budgetary supplements for each constituency for the current fiscal year.
- Questions related to this report should be directed to the BOIE spokespersons, the Honourable Jay Hill and the Honourable Mauril Bélanger, or to individual Members. Once tabled, the consolidated report will be published on the Parliamentary Internet site, which can be accessed by the public at the following address: <http://www.parl.gc.ca/information/about/process/house/GeneralInformation/MembersExpenses-2008-2009-e.pdf>.

Member's Office Budget (MOB)

Effective April 1, 2008, the basic annual Member's Office Budget for all constituencies was \$280,500 (prorated to \$129,880 for new Members elected on October 14, 2008). Members who represent densely populated constituencies receive an Elector Supplement, ranging from \$8,570 to \$51,370 (prorated amount of \$3,970 to \$23,790 for new Members elected on October 14, 2008). Also, due to the election, some re-elected Members received an adjusted Elector Supplement. Members who represent constituencies of 500 square kilometres or more receive a Geographic Supplement, ranging from \$4,740 to \$52,120 (prorated amount of \$2,190 to \$24,130 for new Members elected on October 14, 2008). Members who represent constituencies listed in Schedule 3 of the *Canada Elections Act* receive an additional supplement of \$16,580 or \$19,900 (prorated to \$7,680 or \$9,210 for new Members elected on October 14, 2008).

The MOB is used as follows:

- (1) ***STAFF AND OTHER EXPENSES*** — includes employee salaries, service contracts and constituency office operating expenses such as utilities, telephone service for secondary constituency offices, additional cellular and Personal Digital Assistant (BlackBerry) services in excess of goods and services provided by the House (as well as airtime and data plans), furniture and computer equipment. This item also includes a Miscellaneous Expenditures Account of up to 3% of the Member's Office Budget for certain hospitality expenses and gifts given for reasons of official protocol.
- (2) ***TRAVEL*** — includes travel, accommodation, meal and incidental expenses incurred by the Member and the Member's employees, designated traveller and/or dependant(s) within the constituency or the province or territory in which the constituency is located. It also includes certain transportation expenses incurred by the Member within the National Capital Region, as well as accommodation, meal and incidental expenses incurred by employees on parliamentary business trips within Canada specifically authorized by the Board of Internal Economy.
- (3) ***ADVERTISING*** — allows Members to communicate with their constituents about their office location and contact information, assistance and services they provide and meeting announcements related to the discharge of their constituency functions, and to issue congratulatory messages or greetings to constituents and opinions or statements in support of their parliamentary functions. The Advertising Expenses Account is limited to 10% of the Member's Office Budget.
- (4) ***OFFICE LEASE*** — rental of constituency office(s).

Goods and Services Provided by the House

The following costs are charged to House Administration central budgets:
