

Electoral Reform Consultation
Saskatoon – Grasswood
Kevin Waugh, MP

Since being elected I have consulted with the constituents of Saskatoon-Grasswood on the matter of Electoral Reform.

Consultation method has been via 10%er and House Holder

This is the most cost effective and broad reaching method of consultation and I have reached out to every household in my constituency.

Consultation will be ongoing.

As of October 13, 2016 the results of my consultation are as follows:

Do you think a referendum is required to change how our democracy works and the way we vote?

YES – 81%

NO – 15%

UNSURE – 4%
