December Peace Tower Carillon recitals

Ottawa, Ontario – December 7, 2021

Throughout the month of December, the Dominion Carillonneur, Dr. Andrea McCrady, will perform arrangements of carols from around the world and familiar holiday favourites. These recitals can be heard on Parliament Hill or via live audio stream on the [Carillon Daily Program](#) page on the House of Commons website.

Prelude to Christmas Lights Across Canada

At 5:00 p.m. ET on December 8, a special recital will kick off the Christmas Lights Across Canada program and will include the premiere of *North Star*, composed specifically for the Peace Tower Carillon by Charles Zettek, Jr. Following this performance, the trees along Confederation Boulevard will be illuminated and a new light show will be projected on the Parliament Building, depicting the journey of three lights travelling across Canada's dark winter sky. This light show will be displayed every evening at 5:30 p.m. ET until January 7. Listen to the live audio stream [here](#).
