Jingle Jangle Bells Across Canada

Ottawa, Ontario – December 7, 2020

The Honourable Anthony Rota, Speaker of the House of Commons, is pleased to recognize the creativity of Dominion Carillonneur Dr. Andrea McCrady and six other musicians, who together have found an ingenious way to gather for the holiday season.

Carillonneurs and chimers from Sydney, Nova Scotia to Vancouver, British Columbia joined Dr. McCrady for a collaborative rendition of “Jingle Bells,” which, due to the mix of pitches, was aptly named “Jingle Jangle Bells.”

The video will be available on the [House of Commons website](#) from now until January 7.

Holiday favourites will be played on the Peace Tower Carillon throughout December. To listen to the recitals, visit the Peace Tower Carillon’s [Daily Program](#) web page and click on **Listen on ParIVU**. As these performances are live, audio streaming is only available when a recital is scheduled.
