Prepared under the authority of the
Conflict of Interest Code for Members of the House of Commons

The *Disclosure Statement for Members and their Family Members*, in which the Member discloses his or her private interests as well as those of his or her family, is the initial document which a Member of the House of Commons must complete and file with the Office of the Conflict of Interest and Ethics Commissioner. The *Disclosure Summary* is to be placed in the Public Registry which is available for public inspection.

Application to Members

The provisions of the *Conflict of Interest Code for Members of the House of Commons* apply to all Members of the House of Commons when carrying out the duties and functions of their office as Members of the House. The information provided in this document will enable the Office of the Conflict of Interest and Ethics Commissioner to advise Members on necessary compliance measures.

For all amounts requested in this document, estimates are acceptable.
