INTRODUCTION

One of the Liaison Committee's main responsibilities is to apportion the funds, allocated by the Board of Internal Economy (BOIE) for this purpose, which are required to conduct the activities of standing committees. These activities include the examination of selected matters in greater depth than is possible in the House of Commons and committees may report conclusions of those examinations, including recommendations, to the House. Committees undertake studies in four general areas: the Estimates, legislation, Order in Council appointments, and subject matter studies. In order to conduct these studies, committees may choose to hear from witnesses in Ottawa or may travel to other locations.

In recent years, the Liaison Committee has initiated various updates to the administrative practices and funding policies that govern the activities of standing committees. In June 2013, the members of the Liaison Committee approved the implementation of management best practices to ensure available budgets and standing committee expenditures meet expectations regarding the value of goods and services received.

To that end, this document gives Members of Parliament and the general public a clearer view of committee activities, and the related expenditures, approved by committee members. This information complements the up-to-date information provided to committee chairs on a monthly basis. In addition, the report also provides some general metrics regarding the number of: meetings, meeting hours, reports, and witnesses. The Liaison Committee's intention is to continue presenting such reports three times per fiscal year, for each of the following periods: April 1 to June 30, July 1 to December 31 and January 1 to March 31.

However, due to the 42nd federal election period that fell during this fiscal year, exceptionally the present report will cover only two periods: from April 1, 2015 to August 2, 2015 (dissolution of Parliament) and from December 3, 2015 (opening of Parliament) to March 31, 2016. During the 2015-16 fiscal year, a total of 475 committee meetings were held, 1,492 witnesses were heard and 107 reports were presented to the House.

For further information, please contact the Liaison Committee at LIAI@parl.gc.ca.
