

Dear Justice Committee,

I am writing to request changes to Bill C-6 to ensure it does the following:

- Bans coercive practices that attempt to change a person's sexual orientation or gender identity against the will of the person;
- Ensure that no laws discriminate against Canadians by limiting what services they can receive based on their sexual orientation or gender identity;
- Allow parents to speak with their own children about sexuality and gender, and set house rules about sex and relationships;
- Allow free and open conversations about sexuality and sexual behaviour; and
- Not criminalize professional and religious counseling voluntarily requested and consented to by LGBTQ2 Canadians.

Please ensure the bill includes the above points. Thank you.

Yours truly,

Paul Schuck
