

Fix the Definition of Conversion Therapy in Bill C6

Definition as is now is too overreaching and should be more specific for easy interpretation.

Below are my recommendations:

- Ban coercive, degrading practices that are designed to change a person's sexual orientation or gender identity.
- Ensure that no laws discriminate against Canadians by limiting what services they can receive based on their sexual orientation or gender identity
- Allow parents to speak with their own children about sexuality and gender and set house rules about sex and relationships.
- Allow free and open conversations about sexuality and sexual behaviour; and
- Not criminalize professional and religious counseling voluntarily requested and consented to by LGBTQ2 Canadians.
