To the Justice Committee,

I ask that the definition of Conversion Therapy in Bill C-6 be changed to reflect the following:

- Ban coercive, degrading practices that are designed to change a person's sexual orientation or gender identity;
- Ensure that no laws discriminate against Canadians by limiting what services they can receive based on their sexual orientation or gender identity;
- Allow parents to speak with their own children about sexuality and gender, and set house rules about sex and relationships;
- Allow free and open conversations about sexuality and sexual behaviour; and
- Not criminalize professional and religious counseling voluntarily requested and consented to by LGBTQ2 Canadians;

Sincerely, Peter Wurster
