

Committee Meetings Schedule from September to December 2018

Standing committees follow a system of meeting room priority access based on rotating blocks of time approved by the Whips of the recognized parties. Committees may also meet outside of their scheduled block of time; however, if they do not have priority in a given time period, their access to meeting rooms is on a first-come, first-served basis, after those scheduled to meet at that time.

| | Monday | Tuesday | Wednesday | Thursday | Friday |
|-------------------------------|--|--|--|--|-----------------------|
