

August 6, 2020

Canada's COVID-19 Emergency Response:
Bi-Weekly Report on Parts 3, 8, and 18 of Bill C-13
Tenth Report, August 6, 2020

PURPOSE

The ***COVID-19 Emergency Response Act*** received Royal Assent on March 25, 2020 and was followed by the COVID-19 Emergency Response Act No.2, which received Royal Assent on April 11, 2020.

The Minister of Finance is committed to provide a bi-weekly report to the Standing Committee on Finance on all actions undertaken pursuant to parts 3, 8 and 18.

Part 3

- Authorizes payments to be made out of the Consolidated Revenue Fund in relation to public health events of national concern. It also provides for the repeal of the Act on September 30, 2020. Both the Minister of Health and Minister of Finance must consent to payments.

Part 8

- Authorizes the Minister of Finance, until September 30, 2020, to enter into contracts and to borrow money for certain payments without the authorization of the Governor in Council, and it also extends the time for the tabling of the report on that Minister's plans in relation to the management of the public debt. It also makes related changes to the *Borrowing Authority Act*.
- It also authorizes that Minister to make payments to a province or territory – or after consulting a province or territory, an entity – for the purpose of responding to a situation of significant and systemic economic and financial distress. It also authorizes the Minister, with consent of the GIC, during the period up to September 30, 2020 to establish a corporation or an entity, for the purposes of promoting the stability or maintaining the efficiency of the financial system in Canada.

Part 18

- Division 1 of Part 18 amends the *Employment Insurance Act* to give the Minister of Employment and Social Development, with the consent of the Minister of Finance, the power to make interim orders for the purpose of mitigating the economic effects of COVID-19; this will also expire on September 30, 2020.
- Division 2 has the effect of waiving the requirements for a medical certificates under the Employment Insurance Act and related regulations.

COVID-19 Economic Response Act

Summary of actions approved under Part 3

COVID-19 Economic Response Act: Part 3 Actions to Date

DATE	MEASURE	DESCRIPTION	AVAIL.	STATUS
PART 3 - Public Health Event of National Concern				
March 11	COVID-19 Response Fund	Public education efforts (\$50M); increased federal public health measures such as COVID-19 testing and surveillance (\$100M) and purchases of personal protective equipment (\$50M) – all part of an over \$1 billion effort to support Canada’s public health response to the crisis.	Late March – Early April	<ul style="list-style-type: none"> Funding supported initial federal public health response, including operational funding for PHAC and PPE purchases.
		<p>For those unpaid due to COVID-19 for the following reasons:</p> <ol style="list-style-type: none"> being sick or in quarantine; looking after sick family member or a child whose school is closed; for public health reasons; not working but not laid off (furloughed); or laid off. 	Started April 6	
March 18 / March 25	Canada Emergency Response Benefit (CERB)*	<p>Flat rate of \$2,000 per month (\$500 per week) for up to 4 months - \$8,000 per person.</p> <p>Expanded Eligibility Rules (April 15)</p> <ul style="list-style-type: none"> Allow people to earn up to \$1,000 per month while collecting the CERB <p>Eight-Week Extension (June 16)</p> <ul style="list-style-type: none"> Allow people to receive benefits for up to 6 months. As of July 10, funding of up to \$473 million provided to cover implementation and administration costs incurred by ESDC and CRA. 	<p>Effective for the period of March 15 to October 3</p> <p>(expanded eligibility deemed to have come into force on March 15)</p>	<ul style="list-style-type: none"> \$63.12 billion in payments to 8.48 million applicants as of July 28, 2020

*The EI Emergency Response Benefit was approved under Part 18.

COVID-19 Economic Response Act: Part 3 Actions to Date

DATE	MEASURE	DESCRIPTION	AVAIL.	STATUS
PART 3 Cont. - Public Health Event of National Concern				
Ongoing Operations	Consular Assistance for Canadians Abroad	\$64 million approved under Part 3 (out of \$100 million in total funding) to support consular assistance for Canadians abroad affected by the COVID-19 pandemic.	March	<ul style="list-style-type: none"> Efforts are ongoing. To date, GAC has assisted return of 63,000 Canadians on 687 flights; 4,700 emergency loans approved.
March 18	Support for people experiencing homelessness	\$157.5 million through the Reaching Home initiative to support people experiencing homelessness during the COVID-19 outbreak.	April	<ul style="list-style-type: none"> First payments April 10. As of May 19, all 64 funding agreements (outside QC) have been signed and \$111.4 million in funding is flowing to community partners. Canada-QC agreement for \$21.4 million signed and announced on April 29 and the \$1 million for Indigenous homeless in QC is being dispersed. On July 13, the Minister of Families, Children and Social Development approved funding allocations for the remaining \$24 million reserved to support communities with unmet needs. Of this funding, approximately \$7.8 million is currently flowing to recipients.
March 18	Support for women's shelters and sexual assault centres	\$50 million to women's shelters and sexual assault centres to help with their capacity to manage or prevent an outbreak in their facilities, including Indigenous communities.	April	<ul style="list-style-type: none"> First payments began April 9. As of July 24, of a total of \$40 million allocated to WAGE, approximately \$33.1 million has been distributed to 93 sexual assault centres, 432 women's shelters and 167 organizations in QC. Note the Canada-QC agreement for \$6.46 million was signed on April 21. The \$40 million included a \$10 million contingency fund which will flow through the Canadian Women's Foundation. As of July 24, \$6 million of this fund has been spent. Nearly all funding for shelters in Indigenous communities (total allocation of \$10 million) has been provided.

Grand Total – BCAP, other liquidity support and capital relief	686,450	

¹ Total impact in 2020-2021, unless otherwise specified. Differs from fiscal cost on an accrual basis, which is lower. % of GDP based on 2019 GDP. Numbers may not add due to rounding.

² Estimate assumes tariff waiver would remain in place through 20-21 fiscal year. This could be repealed sooner.

³ Revised estimate based on observed uptake and eight-week extension. Includes up to \$473M in implementation and administration costs for ESDC and CRA to administer to program.

⁴ Estimated total fiscal cost of the program as announced by the Minister of Finance on July 17.

⁵ Revised estimate.

⁶ Revised estimate based on observed payments.

⁷ Profile for the first two years (2020-21 and 2021-22) of total funding of \$90.6M over five years, and \$11.2M ongoing, announced on May 29 to protect and support indigenous women and girls fleeing violence, including to build new shelters and support operating costs.

⁸ Estimate. Reflects program expansion announced on June 26 and observed take-up.

⁹ Includes \$4 million for Labour Market Impact Assessment (LMIA) refunds to eligible employers who have been affected by the pandemic and are no longer able to hire temporary foreign workers.

¹⁰ Revised estimate to include Employee Benefit Plan and the Public Services and Procurement Canada accommodation charges

¹¹ On July 27, the Canada Revenue Agency announced an extension of the payment deadline from September 1, 2020, to September 30, 2020. The liquidity support listed does not account for the extension, as an estimate of the impact is not available at this time.

¹² Fiscal impact from 2019-20 to 2021-22.

¹³ Estimates of cost/impact under review, pending availability of take-up data.

¹⁴ Figures represent lower bound estimates based upon announced credit and liquidity support to date.

MEASURE	DESCRIPTION	AVAIL.	STATUS
Creation of the COVID-19 Supply Council	On Sunday, May 3rd, the Prime Minister announced the creation of a new COVID-19 Supply Council, tasked with finding innovative solutions to ensure needed supply of medical equipment for short and long term needs. The council will be composed of experts from organizations such as the Canadian Chamber of Commerce and the Red Cross, and will complement Canada's current procurement efforts through all stages from production to distribution.	Immediate	In effect
Reducing Import costs to facilitate access to critical medical goods	Effective March 16, goods imported for emergency use by or on behalf of certain health-related entities, including hospitals and first response organizations to respond to COVID 19 are eligible for relief from tariffs and sales taxes. Goods imported by or on behalf of public or private care residences, such as seniors' residences, retirement homes, nursing homes and shelters, also eligible for relief effective April 6, 2020. Effective May 5, imports of certain goods, including medical supplies such as personal protective equipment, are eligible for relief from tariffs. Relief is available to all importers of specified goods including businesses, distributors, and individual Canadians.	Effective March 16, 2020, April 6, 2020 and May 5, 2020, until further notice	In effect
PPE and Related Equipment Support for Essential Workers	\$11 million to enhance procurement capacity in response to the increased demand related to the COVID-19 response, including increased procurement staff support, increased federal-provincial-territorial coordination, and support for the new COVID-19 Supply Council.	Immediate	In effect
Protecting and Supporting Indigenous Women and Girls Fleeing Violence	<p>\$85.6 million over five years and \$10.2 million ongoing to build 12 new shelters and support their operational costs to help protect and support Indigenous women and girls experiencing and fleeing violence.</p> <p>\$1 million a year ongoing to support engagement with Métis leaders and service providers on shelter provision and community-led violence prevention projects for Métis women, girls, and LGBTQ and two-spirit people.</p>	Work underway	Work is underway to open an Expression of Interest process to access funding for the new shelters.

MEASURE	DESCRIPTION	AVAIL.	STATUS
RRIF	Temporary 25% reduction in minimum RRIF withdrawals.	Now	The measure was announced on March 18, 2020 and became law on March 25, 2020.
Supporting Seniors (Contribution of \$9 million through United Way for local organizations (in 2019-20))	\$9 million to provide essential services to Canadian seniors affected by COVID-19.	Immediate	Funding fully advanced to the United Way by March 31. Funding currently being disbursed by local community organizations.
Changes to Canada Summer Jobs Program*	Increase to the wage subsidy, so that private and public sector employers can also receive up to 100 per cent of the provincial or territorial minimum hourly wage for each employee. End date for employment extended to February 28, 2021. Employers can adapt their projects and job activities to support essential services and to hire staff on a part-time basis. Job placements to begin as early as May 11, 2020.	May	Jobs continue to be posted to Job Bank and the hiring of youth has begun.
Enhancing Student Financial Assistance for Fall 2020	<p>Doubles Canada Student Grants for all eligible full-time students to up to \$6,000, and up to \$3,600 for part-time students, in 2020-21. The Canada Student Grants for Students with Permanent Disabilities and Students with Dependents would also be doubled.</p> <p>Broadens eligibility for student financial assistance by removing the expected student and spousal contributions in 2020-21.</p> <p>Enhances the Canada Student Loans Program by raising the maximum weekly amount available to students in 2020-21 from \$210 to \$350.</p>	August 1	Student financial assistance applications for the 2020-21 academic year are now open, and post-secondary students can apply directly through their participating province or territory. Funds will start to be disbursed to eligible students as of August 1.

*Funded through existing allocation of \$263M in 2020-2021.

Annex: COVID-19 Economic Response Plan – Other Measures - Supporting Individuals

MEASURE	DESCRIPTION	AVAIL.	STATUS
Support for the Canadian Red Cross	<p>\$59 million (of \$100 million) in funding to help the Red Cross meet increased demand due to COVID-19, and to support additional relief and recovery efforts this year related to COVID-19, as well as for future floods and wildfires. On June 26, 2020 the Government announced that this funding would support the Red Cross to scale up a new humanitarian workforce to complement existing health measures in long-term care and residential facilities in Quebec. On July 3, 2020, the Red Cross began operations in Quebec facilities.</p>	Now	<p>Agreement with the Canadian Red Cross for \$41 million has been signed and executed. Program for the \$59 million has been established.</p>
COVID-19 Communications and Marketing	<p>Funding for the Privy Council Office to coordinate a whole-of-government communications and marketing strategy that ensures clear and high visibility of public health advice and guidance, helps individuals and businesses understand how to benefit from the range of supports available to them, and provides clear, trusted messaging regarding safety and security, including travel advice.</p>	Now	In effect
Support for Persons with Disabilities	<p>\$848.6 million to provide a one-time, tax-free payment of: \$600 for Canadians with a valid Disability Tax Credit (DTC) certificate, individuals who are eligible for Canada Pension Plan Disability / Quebec Pension Plan Disability and individuals who are eligible for disability supports provided by Veterans Affairs Canada; \$300 for eligible Canadians who are also eligible for the OAS pension; and \$100 for eligible Canadians who are also eligible for the OAS pension and the GIS. \$1.18 million for five new projects through the Accessible Technology Program (existing funding).</p>	Starting in Fall 2020	Legislation received Royal Assent on July 27th, 2020.

Annex: COVID-19 Economic Response Plan – Other Measures - Supporting Businesses, Sector-Specific Supports, Liquidity

MEASURE	DESCRIPTION	AVAIL.	STATUS
Business Income Tax Payment Deferral	Allow businesses to defer, without penalty and interest, income tax payments, as well as instalments, until September 30, 2020. The CRA is also waiving interest on existing tax debts related to corporate income tax returns from April 1, 2020, to September 30, 2020.	Immediate	Business income tax payment deferral currently in effect.
Support for Agriculture and Agri-Food businesses	Increased capital payments limit will allow Farm Credit Canada to provide approximately \$5 billion in additional credit facilities to farmers and agri-food businesses. A Stay of Default on eligible Advance Payments Program loans will provide farmers an additional six months to repay a total of \$173 million in loans.	Immediate	<p>Capital payment made to Farm Credit Canada on March 30, 2020. Since mid-March, \$3.5 billion in new loans extended with just over half used for capital investments.</p> <p>Also since mid-March, 4,351 customers have taken advantage of new payment deferral options on loans totaling \$5.07 billion.</p> <p>Stay of Default announced on March 23, 2020 and currently available</p>
Sales Tax Remittances and Customs Duty Payments	Allowed businesses to defer to June 30 remittances/payments, normally due at the end of March, and in April and May, of any GST/HST they had collected on their sales or GST and customs duty payments that had been assessed on imported goods. The CRA is also waiving interest on existing tax debts related to GST/HST returns from April 1, 2020, to June 30, 2020.	Expired	GST/HST and customs duty payment deferral ended on June 30, 2020.
Support for the Air Transportation Sector	Waiving of ground lease rents for 21 airport authorities that pay rent to the federal government, with comparable treatment for PortsToronto, which operates Toronto's Billy Bishop Airport, from March 2020 to December 2020.	Immediate	Rent relief for 21 airport authorities in effect as of March 2020

Annex: COVID-19 Economic Response Plan – Other Measures

- Supporting Businesses, Sector-Specific Supports, Liquidity

MEASURE	DESCRIPTION	AVAIL.	STATUS
Support for Northern Businesses	\$15 million (from existing funds) in non-repayable support for businesses in the territories to help address the impacts of COVID-19.	Immediate	The Northern Business Relief Fund was launched on April 21
Support for Food Inspection Services	\$20 million to support increased food inspection capacity.	Active	Increased inspection currently active. As of June 18, 152 inspectors and 44 veterinarians have been hired.
Relief for Federally Regulated Pension Plan Sponsors	A temporary moratorium on solvency payment requirements for federally regulated defined benefit plans for the remainder of 2020. (The government will consult with stakeholders over the coming months on options to provide relief from 2021 funding obligations, as necessary.)	Immediate	Effective from April 1.
Emissions Reduction Fund for the Oil & Gas Sector	Up to \$750 million for a Natural Resources Canada program to support the conventional and offshore oil and gas sectors in undertaking investments to reduce greenhouse gas emissions, with a focus on methane.	Summer 2020	Program details are currently being finalized
Support for Indigenous Businesses and Financial Institutions	Up to \$306.8 million to support Indigenous businesses through repayable and non-repayable contributions, and to support the operating expenses and liquidity pressures of Aboriginal Financial Institutions, and program administration through the National Aboriginal Capital Corporations Association.	Now	Agreement in place with National Aboriginal Capital Corporations Association, as of July 31, \$114 million in total financing dispersed or approved.
Financial Relief for First Nations through the First Nations Finance Authority	\$17.1 million to provide interest payment relief for First Nations with existing loans under the First Nations Finance Authority.	Now	Initial payment sent. Remainder to follow in autumn
Support for the Broadcasting Industry	Up to \$34.8 million for the CRTC and central costs incurred by other departments as an alternative source of funds for the Part I licence fees they waived for Canadian private broadcasters in 2020-21 as COVID-19 relief.	Immediate	CRTC waived Part I licence fees for private broadcasters as of April.

MEASURE	DESCRIPTION	AVAIL.	STATUS
Gas Tax Fund Acceleration	The payment of \$2.2 billion in annual federal infrastructure funding under the Gas Tax Fund will be accelerated so that provinces and territories receive funding in one payment in June. The early delivery of funding for 2020-21 will help communities move forward with infrastructure projects that will improve quality of life and help restart local economies.	June	As of June 9, 2020, payments have been made to all provinces and territories.
Support for Local Tourism Marketing*	Destination Canada will co-invest \$30 million matched by provincial and territorial marketing organizations to help support locally led marketing programs by encouraging Canadians to discover local tourist sites.	Over the next 18 months	Destination Canada is redirecting funding from its existing international marketing program budget and is working with provinces and territories on funding distribution.
Women Entrepreneurship Strategy – Ecosystem Top-up	\$15 million in additional funding for the Women Entrepreneurship Strategy (WES) for WES Ecosystem Fund recipient organizations to help women entrepreneurs through the COVID-19 pandemic.	July	Regional Development Agencies (delivering the program) are currently setting up agreements with 52 recipients. Some agreements have been signed.
Parks Canada Revenue Replacement and Rent Relief	Replaces lost visitor revenue due to the closure of Parks Canada sites and supports the waiver of up to 75 per cent of eligible commercial rent for April, May and June 2020 (or equivalent amounts for annual rents) for eligible business and municipal tenants in Parks Canada places.	Immediate	Eligible tenants are to apply for rent relief by September 14. To date, approximately 10% of tenants have submitted applications.

*Funded through existing allocation of \$30M in 2020-2021.

MEASURE	DESCRIPTION	AVAIL.	STATUS
Expansion of existing EDC/BDC products	Business also have access to credit support through existing EDC and BDC business offerings, which have expanded since March, including EDC accounts receivable credit insurance policies and bonding solutions and direct financing from BDC.	Currently available	For example, EDC has seen a 120% year-over-year increase in its number of accounts receivable credit insurance policies (March - May), and an 81% year-over-year increase in trade supported by bonding solutions (March - June). As at July 31, BDC direct COVID-19 support lending totals more than \$2.4 billion. Demand is currently normalizing while peak volume since mid-March reached almost 10 times more loans and 14 times more in financing compared to last year for these type of loans.
Wage Support for Staff of the Non-Public Funds, Canadian Forces	\$6.22 million to the Department of National Defence to meet payroll requirements of the Staff of the Non Public Funds, Canadian Forces, to compensate for reduced revenues due to the closure of non-essential businesses and programs.	Immediate	In April 2020, over 1,700 employees benefited from wage relief. With the re-opening of some retail outlets and other facilities, the number of supported employees has decreased, and the measure is being phased out.
Supporting Jobs and Safe Operations of Junior Mining Companies	On July 10, the Minister of Finance proposed to extend by 12 months the period to incur eligible flow-through share expenses. The Minister also proposed to apply Part XII.6 tax (which applies to certain flow-through expenses) as if expenditures were incurred up to one year earlier than the date they were actually incurred, providing additional relief to flow-through share issuers.	Immediate	Currently in effect
Emergency Funding for COVID-19 Safety Measures in Forest Operations	On July 10, the federal government announced up to \$30 million to offset additional costs associated with COVID-19 safety measures for small and medium enterprises in the forest sector, including tree-planting operations. The federal government intends to work with the provinces and territories to deliver this funding.	Shortly	Program details currently being finalized

MEASURE	DESCRIPTION	AVAIL.	STATUS
Relief for Registered Pension Plans	Temporary relief from conditions under the <i>Income Tax Regulations</i> that apply to timing of contributions, periods of reduced pay and borrowing by pension funds. Draft regulations were released on July 2.	Immediate	Several employers have signaled an intent to provide regular pension coverage despite reduced salary levels and an intent to do catch-up contributions in 2021 to make up for suspended or reduced pension contributions in 2020.
Relief for Salary Deferral Leave Plans	Temporary stop-the-clock rules to the conditions applicable to salary deferral leave plans for the period of March 15, 2020, to April 30, 2021. Draft regulations were released on July 2.	Immediate	Effective March 15, 2020. Several employers and employees have noted that the relief measure permits flexibility in recall to work or postponing a scheduled leave of absence, without fear of adverse tax consequences.
Addressing the Outbreak of COVID-19 among Temporary Foreign Workers on Farms	\$35 million to Agriculture and Agri-Food Canada to improve health and safety on farms and in employee living quarters to prevent and respond to the spread of COVID-19. This will go toward direct infrastructure improvements to living quarters, temporary or emergency housing (on or off-farm), as well as PPE, sanitary stations, and any other health and safety measures. Non-repayable contributions will be cost-shared 50:50 with the applicants.	Shortly	Final program authorities to be confirmed through Treasury Board approval process.
