* Reported amounts are par value as of July 28, 2021, COB.

** The Bank of Canada's overall GoC bond holdings are higher as the Bank also has a primary market purchase facility for balance sheet management that we did not discontinue.

*** These liquidity programs are subject to an indemnity agreement between the Government and the Bank of Canada for any realized losses, as authorized under Part 8 (Financial Administration Act) of the COVID-19 Emergency Response Act. While the Bank of Canada has not provided estimate of potential losses, it considers provincial debt, maturity profile of eligible security purchases and minimum credit rating requirements for CPPP and CBPP to result in low risk of loss.

COVID-19 Economic Response Plan: Bank of Canada
