Hi Neena,

Thank you for your support we have updated the Report to only reflect short and long term goals in the EEOG groups in which we had gaps in our current representation and/or equal to the goals set in the automated tool. Please review and let us know if this is complete.

I understand that in addition to this report Agilec is to provide copies of the Forms and survey information (see attached).

We are happy to report that we received 100% participation to complete the survey for all active and permanent employees. Our next step will be bringing the final report to our leadership team in the new year to review.

Elizabeth

Hi Elizabeth,

Please set the long-term goals in the Members of Visible minorities - table 8. The goals only need to be set where ever there is an under-representation of the designated groups. Therefore, I have erased all the goals that were set where a gap did not exist. I have attached the Achievement report for you reference.

If you have any questions please do not hesitate to contact me.

Cette information est également disponible en français sur demande.

Dear Wendy Legere:

I am writing to inform you that the compliance assessment initiated on December 12, 2018 has been completed. As a result of the assessment, 674725 Ontario Ltd. has been found to be in compliance with the requirements of the Federal Contractors Program (FCP) under the Employment Equity Act.

The purpose of this initial assessment was to verify that your organization has taken steps to achieve employment equity by surveying its workforce, conducting a workforce analysis and setting hiring and promotion goals where gaps in the representation of the designated groups were identified.

Based on a review of the information submitted by your organization, you will find recommendations below for your consideration to ensure the ongoing success of the 674725 Ontario Ltd. employment equity program.

- Given the minor gaps in Indigenous Peoples, Person with Disabilities and Members of Visible Minorities groups, it may be beneficial for this organization to develop relationships with colleges, universities or other professional associations to identify and hire qualified students or professionals that are part of this designated group.

Next Steps

Under the terms of the FCP, your organization will be subject to a subsequent compliance assessment four years after the award date of your initial goods or services contract and every three years thereafter. The next assessment will be initiated on December 12, 2021. Future compliance assessments will focus on the achievement of reasonable progress in meeting the goals established in your organization's initial or updated employment equity submission.

When 674725 Ontario Ltd. is notified of a subsequent assessment, the following information will be required:

1. Workforce data (Form 1 to 6) at the national level.
2. A current workforce analysis; and
3. A completed Achievement Report that includes revised short-term and long-term numerical goals for any remaining gaps in representation.

These documents will allow the Labour Program to assess whether or not reasonable progress has been made since the previous assessment. If reasonable progress has not been made, 674725 Ontario Ltd. will be required to demonstrate that it has made reasonable efforts to achieve its goals. We encourage your organization to develop an action plan to ensure that goals will be met.

The FCP does not prescribe measures to be undertaken. Each federal contractor is encouraged to implement employment equity in ways that are meaningful and relevant to their organization. Evidence of reasonable efforts could include:

- the implementation of initiatives to foster a diverse and inclusive workplace;
- measures to remove employment barriers;
- tailored programs to attract and retain designated group members in areas where they are under-represented; and
- the establishment of accountability mechanisms supported by senior management to ensure that goals are met.

You may also visit our website to access a number of tools. In particular, we encourage your organization to continue using the Workplace Equity Information Management System (WEIMS). WEIMS can assist you in generating your workforce analysis and contains other data analysis tools, including the Achievement Report, as well as a series of training modules.

Should you require any further information regarding your organization's obligations under the FCP, please contact Neena Sharan at neena.sahran@labour-travail.gc.ca.

Your cooperation during the course of this compliance assessment was appreciated and we wish 674725 Ontario Ltd. continued success in achieving a diverse and inclusive workplace.
