RECOMMENDATION

I recommend that the employer be found:

in compliance in non-compliance

Having assessed the data submitted by the employer regarding its workforce and considered its unique circumstances; I recommend that the closing letter include the following:

- create an employment equity committee that includes members from senior management and employee representatives to improve awareness of the organization's employment equity program;
- prepare an action plan to track progress of implementation of employment equity; and
- follow-up with employees that have not completed the self-identification questionnaire and update records accordingly to improve data.
- Given that Neptune Security Services Inc. has few gaps in Women and Persons with Disabilities, it may be beneficial for this organization to develop relationships with colleges, universities or other professional associations to identify and hire qualified students or professionals that identify as part of a designated group.
- Neptune Security Services Inc. also has a large gap in EEOG 11 for women, Aboriginal Peoples, and for Persons with Disabilities, the company may want to consider conducting an employment systems review to identify any potential barriers to the recruitment and retention of individuals in these EEOG's for the two mentioned designated groups.
- Guidance on conducting an employment systems review is available on the Labour Program website (Step 2-2 of the modules): https://equity.esdc.gc.ca/sgiemt-weims/emp/W.2.3msM.1intInf.4%40-eng.jsp?&&cid=aide-help&_ga=2.252268041.1845905918.1519931408-1912045188.1507820070

Subject: Government of Canada Agreement Number: 10000680 – Notification of Compliance with the Federal Contractors Program

Cette information est également disponible en français sur demande.

Dear Hunane Outair:

I am writing to inform you that the compliance assessment initiated on June 22, 2019 has been completed. As a result of the assessment, Neptune Security Services Inc. has been found to be in compliance with the requirements of the Federal Contractors Program (FCP) under the Employment Equity Act.

The purpose of this initial assessment was to verify that your organization has taken steps to achieve employment equity by surveying its workforce, conducting a workforce analysis and setting hiring and promotion goals where gaps in the representation of the designated groups were identified.

Based on a review of the information submitted by your organization, you will find recommendations below for your consideration to ensure the ongoing success of Neptune Security Services Inc.'s employment equity program.

- create an employment equity committee that includes members from senior management and employee representatives to improve awareness of the organization's employment equity program;
- prepare an action plan to track progress of implementation of employment equity; and
- follow-up with employees that have not completed the self-identification questionnaire and update records accordingly to improve data.
- Given that Neptune Security Services Inc. has few gaps in Women and Persons with Disabilities, it may be beneficial for this organization to develop relationships with colleges, universities or other professional associations to identify and hire qualified students or professionals that identify as part of a designated group.
- Neptune Security Services Inc. also has a large gap in EEOG 11 for women, Aboriginal Peoples, and for Persons with Disabilities, the company may want to consider conducting an employment systems review to identify any potential barriers to the recruitment and retention of individuals in these EEOG's for the two mentioned designated groups.
- Guidance on conducting an employment systems review is available on the Labour Program website (Step 2-2 of the modules): https://equity.esdc.gc.ca/sgiemt-weims/emp/W.2.3msM.1intInf.4%40-eng.jsp?&&cid=aide-help&_ga=2.252268041.1845905918.1519931408-1912045188.1507820070

Next Steps

Under the terms of the FCP, your organization will be subject to a subsequent compliance assessment four years after the award date of your initial goods or services contract and every three years thereafter.

The next assessment will be initiated on June 22, 2022. Future compliance assessments will focus on the achievement of reasonable progress in meeting the goals established in your organization's initial or updated employment equity submission.

When Neptune Security Services Inc. is notified of a subsequent assessment, the following information will be required:

1. Workforce data (Form 1 to 6) at the national level.
2. A current workforce analysis; and
3. A completed Achievement Report that includes revised short-term and long-term numerical goals for any remaining gaps in representation.

These documents will allow the Labour Program to assess whether or not reasonable progress has been made since the previous assessment. If reasonable progress has not been made, Neptune Security Services Inc. will be required to demonstrate that it has made reasonable efforts to achieve its goals. We encourage your organization to develop an action plan to ensure that goals will be met.

The FCP does not prescribe measures to be undertaken. Each federal contractor is encouraged to implement employment equity in ways that are meaningful and relevant to their organization. Evidence of reasonable efforts could include:

- the implementation of initiatives to foster a diverse and inclusive workplace;
- measures to remove employment barriers;
- tailored programs to attract and retain designated group members in areas where they are under-represented; and
- the establishment of accountability mechanisms supported by senior management to ensure that goals are met.

You may also visit our website to access a number of tools. In particular, we encourage your organization to continue using the [Workplace Equity Information Management System \(WEIMS\)](#). WEIMS can assist you in generating your workforce analysis and contains other data analysis tools, including the Achievement Report, as well as a series of training modules.

Should you require any further information regarding your organization's obligations under the FCP, please contact Neena Sharan at Neena.sharan@labour-travail.gc.ca.

Your cooperation during the course of this compliance assessment was appreciated and we wish Neptune Security Services Inc. continued success in achieving a diverse and inclusive workplace.
