House of Commons

Dear Mr. Cardegna,

Further to my letter on October 31, 2022, on behalf of the Canada Border Services Agency (CBSA), please find enclosed the list of invoices in response to the motion for the production of papers to support the study on the development, launch and maintenance of the ArriveCAN app, adopted by the Standing Committee on Government Operations and Estimates (the Committee) on October 17, 2022.

With respect to the request for copies of invoices, the CBSA is working with the Translation Bureau to translate our several hundred invoices. As soon as the amount of time required for translation is determined, we will provide the Committee with an update on the timing of delivery of these documents.

Until then, we trust that the Committee finds the attached material useful for its work in studying the development, launch, and maintenance of the ArriveCAN app.

Sincerely,

A handwritten signature in blue ink, appearing to read "Erin O'Gorman".
