

Mr. Paul Cardegna
Clerk of the committee
Wellington Building
197 Sparks Street
Ottawa, Ontario K1P 5B9

Dear Mr. Cardegna:

As requested through the motion adopted by the Standing Committee on Government Operations on October 17, 2022, I am pleased to provide the electronic documents for which Public Services and Procurement Canada is responsible.

Public Services and Procurement Canada's document submission contains Requests for Proposal, which were made public on Buyandsell.gc.ca, as well as other associated documents supporting the Canada Border Services Agency and the Public Health Agency of Canada in the development, launch and maintenance of the ArriveCan application.

We trust that the Committee finds the enclosed material useful for its work.

Yours sincerely,

Lorenzo Ieraci
Assistant Deputy Minister
Priorities, Planning and Communications
